Dear Business Owner,

Bike Dearborn is a grassroots group of Dearborn residents whose goal is creating a safe bicycling community while promoting the healthy benefits of biking for Dearborn residents. Bike Dearborn is quickly becoming a leading advocate for a safe bicycling infrastructure in order to establish safe and enjoyable bicycle networks for recreation, tourism, and transportation across the city of Dearborn.

Bike Dearborn has created partnerships with Beaumont Health, City of Dearborn, and Healthy Dearborn Coalition as well as businesses in our community that want to help be catalysts in the growing bicycle culture in our city.

Residents and visitors can explore Dearborn by bicycle while enjoying the abundance of city parks, patronizing local businesses and sharing a healthy living experience with family, friends and neighbors.

Join Bike Dearborn every Wed. evening from May to Oct. to explore the many neighborhoods in Dearborn by bike. Healthy Dearborn Walk 'n Roll meets at a location each week. For a schedule and announcements visit www.bikedearborn.com.

There are many opportunities for you to become involved as a supporter or sponsor.
