- Bike repair stations are ready to be installed after winter
- May 16th Law enforcement pedestrian and cycling training at Dearborn Police Station.
- Moe Ayoub is moving to work in Westland. Jeff Polkowski still with Dearborn.
- Cherry hill lanes are gone, issue with construction strike and timeline, paint went down in cold weather. Eastbound left turn backups are a concern at Cherry Hill and Telegraph according to engineer, neighborhood associations need to be on board to move forward. Will city be conducting the proper studies?
- Multimodal plan calls for bike lanes on cherry hill, should be repainted now that the road is redone. MMTP is going to be approved in the next two months.
- Calendar is starting to fill in for walk and roll - contact Ali Baleed from YABA for a South End ride?
- Open Streets Internal Meeting - DPW, recreation, and police are concerned about feasibility on Schaefer, issues to address:
  - Need to block every intersection - don't have that many barricades
  - Discussion with Open Streets Detroit, first year budget of 20k, second year 80k, not continuing in 2019, outlier in that they depend heavily in police rather than volunteers
  - Schaefer is the major north-south corridor for fire station at Schaefer and Haggerty
  - Keeping event in East Dearborn - health equity issues, safety for pedestrians and cyclists on Schaefer, grow programming in Downtown East Dearborn
  - Benchmark other open streets events for solutions
- Bike repair station partnership with SODA and businesses at Monroe/Carlisle.
- How can individuals support Bike Dearborn on an ongoing basis?
- Jennifer to reach out to businesses for hosting Walk n Roll.
- Designing a sticker/window cling for Bike Dearborn
- Homecoming volunteer organization
